

Maine Water Quality Standards Litigation Briefing
July 25, 2018

Options for Next Steps in *Maine v. EPA*

Purposes of Briefing:

- Discuss whether, by the current July 30 deadline, to file a brief defending EPA's 2015 decisions, move for a voluntary remand to permit the Agency to revise those decisions, or move for a one-week extension
- To inform the above decision, discuss potential options for revising those decisions if the Agency were to obtain a voluntary remand
